## SOUTHERN GRAND PRE- SQUADDING RULES

1. Request forms received before or including February 15, 2011 will be given equal priority and drawn at random. All request forms received after this date will be processed by received date. No request forms will be accepted after March 6, 2011.
2. The non-refundable service charge of \$2.00 per position, per event, must be included with your request form.
3. The use of paper entry cards has been eliminated. Please be sure to have your ATA plastic card when you are at the entry windows. You will not be able to enter any events without your plastic card.
4. If you draw squad positions that will not be used for an event, please see squadding personnel or use the self-service terminals to release your position. Releasing your position allows us to fill holes in open squads, making this tournament more enjoyable for all shooters. **A shooter may not draw more than one (1) position per event.**
5. You will directly input your entries, including options, at the cashier windows using a touch screen system. Upon paying your entry fees, you will be supplied with a receipt showing your squad, and position along with your class/yardage, options and applicable categories for each event entered. Once you leave the cashier window, your entry cannot be changed for options or squadding.
6. In an effort to avoid unused positions, it is imperative that you either cashier or release all positions that you have pre-squadded for prior to the event. **Anyone that does not cashier or release positions that have been pre-squadded in their name will risk having any or all subsequent pre-squadded positions in their name released by management.** You may call the office at 813-920-3231 if you can not make it to the club in time and have your position released
7. There will be a drawing made by the management for bank assignments for each day. These bank assignments will be posted the night before at the club houses and around the trap line. If you sign up after the bank assignments have been posted, you must take a position on the first available squad. There will be no exception to this rule.
8. **A shooter may only draw one position per event.** Any shooters wishing to squad together must fill out only one application indicating the shooters full name, ATA number, and handicap yardage on the line indicating which position that shooter wishes to shoot. Applications for full or partial squads that do not have each shooter's information completely and properly filled out will not be honored. **Multiple applications for any individual will be discarded and will not be refunded. The first application encountered will be processed only.**
9. **Squadding will be restricted to a maximum of 2 yards on a squad, 1 yard for 18 – 20 yard shooters.**
10. The following events have limits to the number of squads available. Event # 7 & 8 are limited to 108 squads, Event # 9 is limited to 96 squads, and Event # 14, Championship Singles, is limited to 150 squads. Once these limits have been reached, all further request for these events will not be honored. Any request not honored for these event only will be refunded.
11. Telephone requests will not be honored.
